

Cycling Without Age Makes it Possible

Imagine if everyone in our community could feel the wind in their hair, share a smile, and wave a fine good day to their neighbors.

Community Support Makes it a Reality

Don't let what you can't do stand in the way of what you can do!

Initial community fundraising goal of \$58,000 for 6 trishaws to be rotated between Goodman Center, Verona Senior Center, Monona Senior Center, Warner Park Center, Waunakee Senior Center, Arboretum, Middleton Senior Center, Madison Senior Center, Oregon, Mount Horeb, Black Earth, Cross Plains, Belleville, Stoughton, Sauk City, Lussier Family Heritage Center & other great locations.

Donations accepted for Cycling Without Age on line at communitylighteldernetwork.org/donate/ or they may be dropped off in person at any Summit Credit Union or mailed to Cycling Without Age Greater Madison Fund 402 Rustic Drive, Suite L1, Madison, WI 53718

All donations are tax deductible, please keep your receipt for tax purposes if desired

For more information on future rides or to become a volunteer trishaw pilot please call (608) 630-8981 or email communitylighteldernetwork@gmail.com

Thanks to our community partners Oak Park Place for working with us to promote Cycling Without Age for all of Madison and to Wisconsin Bike Fed for providing the training for volunteer pilots ☺

Cycling Without Age Greater Madison is a non-profit volunteer-driven program through Community Light Elder Network that takes older adults and people with differing abilities on free bicycle rides in a trishaw, giving them the opportunity to be out in nature, hear the birds, feel the warmth of the sun, and share their stories. It is part of a worldwide movement to connect people with limited mobility to cycling and their community.
